

14th Annual Kyle Rudow Memorial Golf Tournament

June 19, 2017

Dear Friends,

Get your clubs ready, it's that time again. The 14th Annual Kyle Rudow Memorial Golf Tournament will be held on June 19, 2017.

Join us for a day of golf, entertainment and fun at the Calabasas Country Club.

The Tournament is held to honor and celebrate the life of Kyle Rudow, a Calabasas resident who died in an auto accident at the age of 20. Kyle was a loving son, brother and friend and an active member of the Calabasas community. His love of life and capacity for giving inspired his family and friends to create the Kyle Rudow Memorial Fund in his honor. Kyle had a safe and happy childhood with many advantages. It is the purpose of this Fund to provide financial support to organizations which provide advantages to children and young adults.

By participating in this event you will not only help us to honor Kyle's memory, but will enable us to help the lives of children in need. With the proceeds from the past twelve tournaments the fund has contributed almost \$400,000 to organizations which improve the quality of the lives of children and young adults, both in our community and elsewhere. These organizations include: CASA of Los Angeles, Brandon's Village, United in Harmony, United Friends of the Children, University of Washington, Lambda Chi Alpha Fraternity and Calabasas High School.

The golf tournament is a time for us to join together to celebrate the life of Kyle, while at the same time raising money to help children in need.

We appreciate your support and hope you will participate in our upcoming event.

There are three ways you can participate:

Sponsors- Numerous levels and types of sponsorship are available. Help us underwrite the expenses of the tournament and more proceeds go directly towards the needs of the children.

Donations - Donations of goods, services and gift certificates to be used in our auction and raffle

Attendance - Play a round of golf or just come for dinner and fun.

Attached you will find Sponsorship and Donor information. Additional tournament information can be found on our web site at www.kp2memorial.org. Invitations will be mailed in the near future. This tournament is open to all who wish to participate. Invitations are not required so please tell your family and friends! Hope to see you!

The Golf Tournament Committee
